

**ORDINANCE 21-2955**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BLAINE, WASHINGTON,  
ADOPTING TEMPORARY EMERGENCY HAZARD PAY FOR GROCERY STORE  
WORKERS IN STORES LARGER THAN 10,000 SQUARE FEET.**

**WHEREAS**, on March 13, 2020, the Blaine City Manager issued a Proclamation of Local Emergency regarding COVID-19; and,

**WHEREAS**, on March 16, 2020, the City Council of Blaine, Washington adopted Resolution No. 1800-20 confirming the City Manager’s Proclamation of Local Emergency regarding COVID-19; and,

**WHEREAS**, since the adoption of those documents, the President of the United States has declared a national emergency due to COVID-19 and Washington State Governor Inslee has issued additional emergency decrees related to COVID-19 to protect and preserve public health and safety, including closing schools, restaurants, bars, entertainment and recreational facilities statewide; and,

**WHEREAS**, the public health emergency regarding COVID-19 and the facts underlying the actions taken on the federal, state and local level continues on the date hereof, thereby necessitating the action taken herein to protect and preserve public health, safety, life and property;

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF BLAINE, WASHINGTON,  
DOES ORDAIN AS FOLLOWS:**

**Section 1.** The City Council (Council) finds and declares that:

A. In the exercise of The City of Blaine’s police powers, the City is granted authority to pass regulations designed to protect and promote public health, safety, and welfare.

B. This ordinance protects and promotes public health, safety, and welfare during the novel coronavirus 19 (COVID-19) emergency by requiring grocery businesses to provide hazard pay for grocery employees performing work in the City, thereby increasing retention of employees who provide essential services on the frontlines of a global pandemic and paying additional compensation to those employees for the hazards of working with significant exposure to an infectious disease.

**Section 2.** As the substantive effects of this ordinance are not permanent, this ordinance is not intended to be codified. Section numbers are for ease of reference within this ordinance, and section and subsection references refer to numbers in this ordinance unless stated otherwise.

**100.A.005 Short title**

This ordinance shall constitute the “Hazard Pay for Grocery Employees Ordinance” and may be cited as such.

**100.A.010 Definitions**

For purposes of this ordinance:

A. “Adverse action” means reducing compensation, garnishing gratuities, denying a job or promotion, demoting, terminating, failing to rehire after a seasonal interruption of work, threatening, penalizing, retaliating, engaging in unfair immigration-related practices, filing a false report with a government agency, or otherwise discriminating against any person for any reason prohibited by Section 100.A.050. “Adverse action” for an employee may involve any aspect of employment, including compensation, work hours, responsibilities, or other material change in the terms and conditions of employment. “Adverse action” also encompasses any action by the employer or a person acting on the employer’s behalf that would dissuade a reasonable person from exercising any right afforded by this ordinance.

B. “Aggrieved party” means an employee or other person who suffers tangible or intangible harm due to an employer or other person's violation of this ordinance.

C. “City” means the geographic jurisdiction of the City of Blaine

E. “Employ” means to suffer or permit to work;

F. “Employee” means any individual employed by an employer, including but not limited to full-time employees, part-time employees, and temporary workers. An alleged employer who disputes that an individual is an employee bears the burden of proving that the individual is not, as a matter of economic reality, economically dependent upon the employer, but instead is in business for him, her, or their self (i.e., an independent contractor).

G. “Employer” includes any individual, partnership, association, corporation, business trust, or any person or group of persons acting directly or indirectly in the interest of an employer in relation to an employee. More than one entity may be the “employer” if employment by one employer is not completely separate from employment by any other employer.

H. “Farmer’s Market” means an indoor or outdoor assembly of three or more individual vendors that gathers from time to time for the purpose of selling fresh produce, meats, poultry, fish, dry foods, beverages, baked foods, and/or prepared foods to the public that are primarily grown, made or assembled by the vendors or their employees

I. “Franchise” means an agreement by which:

1. A person is granted the right to engage in the business of offering, selling, or distributing goods or services under a marketing plan prescribed or suggested in substantial part by the grantor or its affiliate;

2. The operation of the business is substantially associated with a trademark, service mark, trade name, advertising, or other commercial symbol; designated, owned by, or licensed by the grantor or its affiliate; and

3. The person pays, agrees to pay, or is required to pay, directly or indirectly, a franchise fee.

J. “Franchisor” means a person who grants a franchise to another person.

K. "Grocery business" means a retail store operating in City of Blaine that is either:

1. Over 10,000 square feet in size and that is primarily engaged in retailing groceries for offsite consumption, including but not limited to the sale of fresh produce, meats, poultry, fish, deli products, dairy products, canned and frozen foods, dry foods, beverages, baked foods, and/or prepared foods. Other household supplies or other products shall be secondary to the primary purpose of groceries sales; or

2. Over 85,000 square feet and with 30 percent or more of its sales floor area dedicated to sale of groceries, including but not limited to the sale of fresh produce, meats, poultry, fish, deli products, dairy products, canned and frozen foods, dry foods, beverages, baked foods, and/or prepared foods.

L. "Grocery business" does not include convenience stores or food marts primarily engaged in retailing a limited line of goods that generally includes milk, bread, soda, and snacks. "Grocery business" also does not include farmers' markets.

M. "Grocery employee" means an employee employed by a grocery business.

N. "Hazard pay" means additional compensation owed to an employee on top of the employee's other compensation, including but not limited to salaries, wages, tips, service charge distributions, overtime, commissions, piece rate, bonuses, rest breaks, promised or legislatively required pay or paid leave, and reimbursement for employer expenses, that has been specifically designated as additional compensation being paid due to the increased risk of contracting COVID-19 that is inherent in being a grocery employee.

O. "Primary language" means the language in which the employee feels most comfortable communicating.

P. "Written" or "writing" means a printed or printable communication in physical or electronic format, including but not limited to a communication that is transmitted through email, text message, or a computer or mobile system, or that is otherwise sent and maintained electronically.

#### **100.A.015 Employee coverage**

For the purposes of this ordinance:

A. Covered employees are limited to those who perform work for a covered employer at a retail location in the City.

B. Time spent by an employee in the City solely for the purpose of travelling through the City from a point of origin outside the City to a destination outside the City, with no employment-related or commercial stops within the City except for refueling or the employee's personal meals or errands, is not covered by this ordinance.

#### **100.A.020 Employer coverage**

A. For the purposes of this ordinance, covered employers are limited to grocery businesses that employ 500 or more employees worldwide regardless of where those employees are employed,

including but not limited to chains, integrated enterprises, or franchises associated with a franchisor or network of franchises that employ 500 or more employees in aggregate.

B. To determine the number of employees for the current calendar year:

1. The calculation is based upon the average number per calendar week of employees who worked for compensation during the preceding calendar year for any and all weeks during which at least one employee worked for compensation. For employers that did not have any employees during the preceding calendar year, the number of employees(s) for the current calendar year is calculated based upon the average number per calendar week of employees who worked for compensation during the first 90 calendar days of the current year in which the employer engaged in business.
2. All employees who worked for compensation shall be counted, including but not limited to:
  - a. Employees who are not covered by this ordinance;
  - b. Employees who worked in the City;
  - c. Employees who worked outside the City; and
  - d. Employees who worked in full-time employment, part-time employment, joint employment, temporary employment, or through the services of a temporary services or staffing agency or similar entity.

C. Separate entities that form an integrated enterprise shall be considered a single employer under this ordinance. Separate entities will be considered an integrated enterprise and a single employer under this ordinance where a separate entity controls the operation of another entity. The factors to consider in making this assessment may include, but are not limited to:

1. Degree of interrelation between the operations of multiple entities;
2. Degree to which the entities share common management;
3. Centralized control of labor relations;
4. Degree of common ownership or financial control over the entities; and
5. Use of a common brand, trade, business, or operating name.

D. An alleged employer bears the burden of proof to show that the employer is not a “grocery business” as defined in Section 100.A.010.

E. When determining whether an employer is “primarily engaged in retailing groceries” according to the definition of “grocery business” under Section 100.A.010, all relevant factors may be taken into account, including but not limited to the following: grocery sales as a percentage of the retail store’s overall sales; sales floor area dedicated to grocery sales; marketing or promotional materials from the employer; or other public statements from representatives of the employer.

### **100.A.025 Hazard pay requirements**

A. Employers shall provide each employee with hazard pay at a rate of three dollars (\$3.00) per hour for each hour worked in the City.

1. No employer shall, as a result of this ordinance going into effect, take steps to reduce employee compensation so as to prevent, in whole or in part, employees from receiving hazard pay at a rate of three dollars per hour for each hour worked in the City in addition to those employees' other compensation. Employers shall maintain records to establish the reason(s) for any reduction in employee compensation, pursuant to Section 100.A.040.

2. Employers providing hazard pay, as defined under Section 100.A.010, on the effective date of this ordinance may use the hourly rate of that hazard pay to offset the amount due under this subsection 100.A.025.A.

a. Employers shall comply with requirements for providing compensation in Section 100.A.025.B for the entire amount due under Section 100.A.025.A.

b. Employers bear the burden of proof to show that the additional compensation is hazard pay as defined in this ordinance.

B. With respect to payment of hazard pay as set forth in this ordinance, employers shall comply with all requirements related to the payment of wages otherwise set forth by law.

C. Employers shall comply with the hazard pay requirements in this Section 100.A.025 until midnight on the day that Washington State Department of Health or the Governor of Washington determines that Whatcom County has entered Phase 3 under the Roadmap to Recovery plan.

### **100.A.030 Notice and posting**

A. Within 30 days of the effective date of this ordinance, employers shall display a written notice of rights established by this ordinance in a conspicuous and accessible place at any workplace or job site where any of their employees' work. Employers shall display the notice of rights in English and in the primary language(s) of the employee(s) at the workplace or job site. Employers shall make a good faith effort to determine the primary languages of the employees at the workplace or job site. If display of the notice of rights is not feasible, including situations when the employee does not have a regular workplace or job site, employers may solely provide the notice of rights on an individual basis in the employee's primary language in a physical or electronic format that is reasonably conspicuous and accessible.

B. The notice of rights shall provide information on:

1. The right to hazard pay guaranteed by this ordinance;

2. The right to be protected from retaliation for exercising in good faith the rights protected by this ordinance; and

3. The right to bring a civil action for a violation of the requirements of this ordinance, including an employer's denial of hazard pay as required by this ordinance and an employer or other person's retaliation against an employee or other person for asserting the right to hazard pay or otherwise engaging in an activity protected by this ordinance.

C. Employers are responsible for providing employees with the notice of rights required by subsection 100.A.030.A and 100.A.030.B in a form and manner sufficient to inform employees of their rights under this ordinance.

### **100.A.040 Employer records**

- A. Employers shall retain records that document compliance with this ordinance for each employee.
- B. Employers shall retain the records required by subsection 100.A.040.A for a period of three years.
- C. If an employer fails to retain adequate records required under subsection 100.A.040.A, there shall be a presumption, rebuttable by clear and convincing evidence, that the employer violated this ordinance for the periods and for each employee for whom records were not retained.

### **100.A.050 Retaliation prohibited**

- A. No employer or any other person shall interfere with, restrain, or deny the exercise of, or the attempt to exercise, any right protected under this ordinance.
- B. No employer or any other person shall take any adverse action against any person because the person has exercised in good faith the rights protected under this ordinance. Such rights include, but are not limited to, the right to make inquiries about the rights protected under this ordinance; the right to inform others about their rights under this ordinance; the right to inform the person's employer, the person's legal counsel, a union or similar organization, or any other person about an alleged violation of this ordinance; the right to bring a civil action for an alleged violation of this ordinance; the right to testify in a proceeding related to this ordinance; the right to refuse to participate in an activity that would result in a violation of city, state or federal law; and the right to oppose any policy, practice, or act that is unlawful under this ordinance.
- C. No employer or any other person shall communicate to a person exercising rights protected in this Section 100.A.050, directly or indirectly, the willingness to inform a government worker that the person is not lawfully present or employed in the United States, or to report, or to make, an implied or express assertion of a willingness to report, suspected citizenship or immigration status of an employee or family member of an employee to a federal, state, or local agency because the employee has exercised a right under this ordinance.
- D. It shall be a rebuttable presumption of retaliation if an employer or any other person takes an adverse action against a person within 90 days of the person's exercise of rights protected in this Section 100.A.050. However, in the case of seasonal work that ended before the close of the 90-day period, the presumption also applies if the employer fails to rehire a former employee at the next opportunity for work in the same position. The employer may rebut the presumption with clear and convincing evidence that the adverse action was taken for a permissible purpose.
- E. Proof of retaliation under this Section 100.A.050 shall be sufficient upon a showing that an employer or any other person has taken an adverse action against a person and the person's exercise of rights protected in this Section 100.A.050 was a motivating factor in the adverse action, unless the employer can prove that the action would have been taken in the absence of such protected activity.
- F. The protections afforded under this Section 100.A.050 shall apply to any person who mistakenly but in good faith alleges violations of this ordinance.

G. A complaint or other communication by any person triggers the protections of this Section 100.A.050 regardless of whether the complaint or communication is in writing or makes explicit reference to this ordinance.

#### **100.A.060 Private right of action**

A. Any person or class of persons that suffers financial injury as a result of a violation of this ordinance, or is the subject of prohibited retaliation under Section 100.A.050, may bring a civil suit in any court of competent jurisdiction against the employer or other person violating this ordinance and, upon prevailing, shall be awarded such legal or equitable relief as may be appropriate to remedy the violation including, without limitation: the payment of any unpaid compensation plus interest due to the person and liquidated damages in an additional amount of up to twice the unpaid compensation; and a penalty payable to any aggrieved party of up to \$5,565 (five thousand, five hundred sixty-five dollars) if the aggrieved party was subject to prohibited retaliation, as well as reasonable attorney fees and costs. Interest shall accrue from the date the unpaid compensation was first due at 12 percent per annum, or the maximum rate permitted under RCW 19.52.020.

#### **100.A.065 Waiver**

Any waiver by an individual of any provisions of this ordinance shall be deemed contrary to public policy and shall be void and unenforceable.

#### **100.A.070 Encouragement of more generous policies**

A. Nothing in this ordinance shall be construed to discourage or prohibit an employer from the adoption or retention of hazard pay policies more generous than the one required herein.

B. Nothing in this ordinance shall be construed as diminishing the obligation of the employer to comply with any contract, collective bargaining agreement, employment benefit plan, or other agreement providing more generous hazard pay policies to an employee than required herein.

#### **100.A.080 Other legal requirements**

This ordinance provides minimum requirements for hazard pay for covered employees during the COVID-19 emergency and shall not be construed to preempt, limit, or otherwise affect the applicability of any other law, regulation, requirement, policy, or standard that provides for hazard pay, or that extends other protections to employees; and nothing in this ordinance shall be interpreted or applied so as to create any power or duty in conflict with federal or state law. Nothing in this ordinance shall be construed as restricting an employee's right to pursue any other remedies at law or equity for violation of their rights.

#### **100.A.090 Severability**

The provisions of this ordinance are declared to be separate and severable. If any clause, sentence, paragraph, subdivision, section, subsection, or portion of this ordinance, or the application thereof to any

employer, employee, person, or circumstance, is held to be invalid, it shall not affect the validity of the remainder of this ordinance, or the validity of its application to other persons or circumstances.

**Section 3.** This ordinance shall be automatically repealed without subsequent Council action on midnight on the day that Washington State Department of Health or the Governor of Washington determines that Whatcom County has entered Phase 3 under the Roadmap to Recovery plan

**Section 4.** Based on the findings of fact set forth in Section 1 of this ordinance, the Council finds and declares that this ordinance is a public emergency ordinance, which shall take effect immediately and is necessary for the protection of the public health, safety, and welfare.
